STATEMENT OF WORK

03 JULY 2009

Repair CH80C MarkLift Self Propelled Aerial Boom 80ft.

Purpose:

The project consists of repairing (1) CH80C MarkLift Self Propelled Aerial Boom 80ft . This Boom Lift is assigned to Civil Engineering Squadron and is located at the North Dakota Air National Guard, Hector IAP Fargo, North Dakota. The contractor shall provide all labor, material, equipment, and miscellaneous resources required to complete the work per the aforementioned scope of work. Local O&M funds are available for this project.

Scope of Work:

- Initial Repairs:
 - Remove and replace Boom Hoses (Qty = 4)
 - Remove and replace Power Track Sections (Qty = 25)
- Additional Parts and Labor that may be needed to restore unit to serviceable condition:
 - Extend Cables (Qty = 2)
 - Retract Cables (Qty = 2)
 - Sheaves (Qty = 2)
 - Power Cable for Controls
 - Craftsmanship will be professional and installed by only licensed/authorized representatives
- Contractor shall repair/restore CH80c MarkLift to complete serviceable condition.

Note: Contractor shall provide a complete report of repair work to the Contracting Officers Representative (COR).

Note: The COR for this project is MSgt Tim McDowell.

Note: Contractor shall provide a written Annual Inspection/Certification Report to COR.

Note: All old parts and materials shall be available for inspection by NDANG personnel at the direction of the COR.

Questions or comments regarding this SOW can be directed to CMSgt Bryan Hagen @ 701-451-2853 or SMSgt Tim McDowell @ (701) 451-2860, Mr. Gerald Allen @ 701-451-2866.
